

## BURP-FREE

### How Do Omega-3 EFAs Support Overall Health?\*

The Essential Fatty Acids in Norwegian Gold Super Critical Omega are natural substances your body needs for optimum health.\* Extensive research links fish-derived Omega-3, particularly EPA, to:

- **Healthy cardiovascular function** and lowered risk of coronary heart disease.\*
- **Reduced stiffness in joints** and help in promoting joint and muscle comfort.\*
- **Help in decreasing the severity of anxiety** and occasional sleeplessness.\*

Because the typical American diet is lacking in these healthy fatty acids, supplementation with natural fish oil is an ideal source for Omega-3s.\*

### How Does Norwegian Gold Deliver 3x Better Omega-3 Absorption?\*

**1 Norwegian Gold Enteric-coated Fish Gel** = **3 uncoated softgels**

#### Burp-Free Guarantee

Many fish oils cause a fishy burp or 'repeat', but our unique **Ultragest™ Technology** ensures more complete digestion to help prevent any unpleasant repeat, odor or intestinal discomfort.

Lipase for Enhanced Digestion

Enteric-Coated for Intestinal Delivery

Oils bypass harsh stomach acids

## ULTIMATE FISH OILS

### What Makes Norwegian Gold The Ultimate Omega-3 Fish Oils?

- **Highest potency** of Omega-3 essential fatty acids. Supercritical CO<sub>2</sub> extraction technology increases the Omega-3 content in the oil blend. **95% Total Omega concentration!**
- **Ultimate purity & freshness** exceeding or meeting world standards. Sourced from smaller, unthreatened wild fish from cold, pristine waters.
- **Enteric coating** for **3x more Omega-3 absorption** than uncoated softgels and reduced burping in most people.\*
- **Lipase-enhanced digestion** for better absorption. This natural fat-splitting enzyme helps the body utilize these beneficial Omega-3s.
- **Fresh-Assure blue glass bottle and dark gel cap** seals in freshness and shields the pristine oils from the harmful effects of light.
- **100% fish-derived gel caps** ideal for fish-eating vegetarians and others who wish to avoid animal-based gelatin softgels.

Third-party Tested & Certified

#### International Fish Oil Standards

The IFOS program is a world leader in Omega-3 testing, ensuring Norwegian Gold oils surpass or meet all world pharmaceutical standards - including NMS (Norwegian Medicinal Standard) - for freshness, purity and potency.
