Before Dispensing
From This Bottle

We prepare our Echinacea Glycerite from the fresh (undried) roots of *Echinacea purpurea*, which is Certified Organically Grown on our own farm.

To assure optimal extraction of Echinacea's bioactive compounds, the roots are harvested in the autumn or early spring and are then taken directly to our laboratory and promptly extracted while still fresh and succulent.

Our Echinacea is never fumigated or irradiated.

Fresh herb / menstruum ratio: 1 : 2.5

Contains vegetable glycerine (50 - 55%), distilled water & Echinacea root extract.

CONTAINS NO ALCOHOL
