PediaFocus™ -DF

Dairy-Free; Natural Vanilla Flavor

Dietary Supplement

For Professional Use Only

540 Grams

Report any adverse reactions to 860.623.6314

Notice: This is a natural product that may exhibit color, taste, and density variations from lot to lot. It contains naturally occurring nutrients; therefore amounts may vary within the pea protein and flavor profile.

PediaFocus™-DF (dairy-free) powder is a delicious and nutritious shake taken daily at breakfast. It contains quality protein with effective quantities of critical micronutrients and key nutraceuticals intended to help begin the day with a healthy approach, something which is very difficult to achieve with conventional modern breakfast food options. PediaFocus™-DF features Peatein™, a natural fermentation-processed pea protein isolate made from non-GMO North American grown yellow peas that is hypoallergenic, easy to digest, and has an excellent array of amino acids (protein's building blocks).
