

SUGGESTED USE: As a dietary supplement, mix 1 scoop with 8-10 oz of water and consume approximately 30 minutes before beginning your workout.

WARNING: This product is only intended to be consumed by healthy adults 18 years of age or older. Do not use if you are pregnant, breast feeding, sensitive to caffeine, have known medical conditions (including but not limited to kidney, heart or liver disease) or are taking prescription or OTC medication(s). Consult with your health care practitioner before using this product. Do not use under extreme conditions of heat, CARDIOVASCULAR EXERTION or dehydration. Do not use with caffeine or stimulant-containing medications, foods or beverages because too much caffeine may cause nervousness, irritability, sleeplessness and occasionally rapid heartbeat. Discontinue use and consult with your health care professional if you experience any adverse reaction to this product. Do not exceed recommended serving.

KEEP OUT OF REACH OF CHILDREN.
