

Directions: As a dietary supplement take one serving (2 tablets) up to two times per day. Do not exceed two servings per day.

CAUTION: Do not use if you are pregnant, nursing, or under the age of 18. Consult your doctor before taking this or any other dietary supplement, especially if you have or suspect you may have any medical condition or if you are taking any prescription or over-the-counter medications or other dietary supplements. Do not exceed recommended serving. This product contains caffeine and may not be appropriate for stimulant-sensitive individuals. Do not consume synephrine or caffeine from other sources, including but not limited to coffee, tea, soda, other dietary supplements, or medications containing phenylephrine or caffeine. Immediately discontinue use and consult your doctor if any adverse reactions occur. KEEP OUT OF REACH OF CHILDREN.

Storage: Store at room temperature between 55° and 82° F (13° and 28° C) in a tightly closed container. Store away from heat and moisture.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
