

Calcium D-Glucarate is a form of D-glucaric acid complexed with calcium, the form used in clinical research studies. It has been shown to support immune system function, promote estrogen metabolism, and enhance the body's detoxification systems through inhibition of beta-glucuronidase.*

Integrative Therapeutics' evidence-based natural medicines are the only choice of doctors who rely on the fact base of premier science to deliver patient results.

Contains no sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial coloring, artificial flavoring, preservatives, or ingredients of animal origin. This product contains natural ingredients; color variations are normal.
