Ananese

Under the Tongue

100 mg

Dietary Supplement

90 Tablets

Each oral dissolving tablet contains 100 mg of Bromelain proteolytic enzymes derived from pineapple stem. It also contains Escharase which helps support a normal inflammatory response.

Supplement Facts:

Serving Size: 1 Tablet

One Tablet Contains:	% Daily Value
----------------------	---------------

Bromelain 2400 GDU 100 mg	*
---------------------------	---

L-Cystein.Hcl 600 mcg	*
-----------------------	---

(*) Daily Value not established

Caution: Escharase enzyme may cause irritation to the oral cavity. If this occurs, do not use Ananese under the Tongue but bite tablets into small pieces and swirl them in the mouth for few seconds before swallowing.

Directions: 1 tab 3 times daily or as directed by your health professional. Place tablet under tongue until it dissolves completely.

Other ingredient: Pineapple flavor, Mannitol, Ac-di-Sol, Magnesium Stearate, Cab-O-Sol. www.intensivenutrition.com #01B Made in U.S.A.
