

SUGGESTED USAGE: As a dietary supplement, take 2 tablets daily with food, or as directed by your healthcare practitioner.

This product is moisture sensitive. Keep tightly closed and refrigerate after opening in humid regions.

HOW IT WORKS: As co-factors in numerous biochemical reactions, B Complex vitamins are critical for energy production and the proper metabolism of carbohydrates, fats, and proteins.* B Vitamins are also important for the maintenance of normal nervous system function, blood cell production, and countless other metabolic processes.* Our CoEnzyme B Complex provides a balanced combination of B Vitamins in their activated CoEnzyme states in an enteric-coated tablet to preserve ingredient integrity through the harsh acidic environment of the stomach, and intact delivery to intestinal absorption sites.*

CAUTIONS/INTERACTIONS: If you are pregnant/lactating, consult your healthcare practitioner before using this product. For more information on this product, go to www.protocolfor-life.com/P0405

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

This bottle contains an AGELESS® Oxygen Absorber to ensure freshness. Do not eat packet.
