

TASTE THE INSANITY

WARNING: Consult a health care practitioner prior to use if you are following a low protein diet, are taking lithium, Levodopa, nitrates, or medication to treat erectile dysfunction; or if you have liver or kidney disorder, epilepsy, high blood pressure, glaucoma and/or delirious instability (overactive bladder syndrome). Consumption with natural health products (e.g. bitter orange extract, synephrine, octopamine, ephedra) which increase blood pressure, or other caffeine containing products (e.g. medications, coffee, tea, colas, guarana, mate) is not recommended. This product is not intended as a substitute for sleep. Consult a health practitioner prior to use if you are of child bearing age, have cardiovascular disease or hypertension, diabetes, prostate disorders, or are taking prescription medications. Do not use if you are pregnant, breastfeeding, or if you are taking blood pressure medications (either hypertensive or antihypertensive), thyroid medications, sympathomimetic, monoamine oxidase inhibitors (MAOIs), decongestant-containing cold preparations (i.e. phenylephrine or pseudoephedrine), products containing ephedra or ephedrine, or other medications which increase blood pressure. May cause paresthesia (pins and needles), headaches, nausea, gastrointestinal discomfort, palpitations and diarrhea. Hypersensitive/ allergy is known to occur, in which case, discontinue use. May result in weight gain. For occasional use only.

WARNING: NOT FOR CHILDREN.

TO AVOID CLUMPING & HARDENING, PLACE IN FREEZER AFTER OPENING.
