

intraMIN® contains 71 Carbon-bond Organic® microcomplexed® trace minerals naturally infused with fulvic acid, carbon, and oxygen. It is the only trace mineral supplement that is fueled by Drucker Labs' proprietary intraCELL Technology. intraMIN is the foundation of the intraLINE products.

Shake Well and Refrigerate After Opening

Directions for Use: Best on an empty stomach.

Adults: Take 1 fl oz daily (½ fl oz in the am and ½ fl oz in the pm). Always follow with 8 - 10 fl oz of filtered, non-chlorinated, or bottled water. Do not take within 2 hours of pharmaceuticals, nutraceuticals, or over the counter medications. Not recommended after 6:00 pm. Use as directed above or consult your Health Care Practitioner.

Due to the quantity of natural ingredients, variations in consistency, color, flavor, sediment, carbon, oxygen, and fulvic acid may exist per lot. If you are pregnant, nursing, or using prescription drugs, consult your Health Care Practitioner before use. Do not use if tamper-evident seal is either broken or missing. Keep out of reach of children.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
