

TASTE THE INSANITY

WARNING: NOT FOR CHILDREN. Consult a health care practitioner prior to use if you are following a low-sodium diet, are taking lithium, Levodopa, nitrates, or medication to treat erectile dysfunction; or if you have low or kidney disorder, epilepsy, high blood pressure, glaucoma and/or detrusor instability (overactive bladder syndrome). Consumption with natural health products (e.g. bitter orange extract, synephrine, yohimbine, ephedra) which increase blood pressure, or other caffeine containing products (e.g. medications, coffee, tea, colas, guarana, mate) is not recommended. This product is not intended as a substitute for sleep. Consult a health practitioner prior to use if you are of child bearing age, have cardiovascular disease or hypertension, diabetes, prostate disorders, or are taking prescription medications. Do not use if you are pregnant, breastfeeding, or if you are taking blood pressure medications (either "extensive" or antihypertensive), thyroid medications, sympathomimetic, monoamine oxidase inhibitors (MAOIs), decongestant-containing cold preparations (i.e. phenylephrine or pseudoephedrine), or drugs containing ephedra or ephedrine, or other medications which increase blood pressure. May cause drowsiness (pins and needles), headaches, nausea, gastrointestinal discomfort, palpitations and dizziness. Hypersensitive allergy is known to occur, in which case, discontinue use. According to TCM, do not use in cases of an deficiency with heat signs, heat excess, or in the absence of significant qi deficiency. May result in weight gain. For occasional use only.
