

SUGGESTED USE: 1 capsule taken 1 to 2 times daily with meals or as directed by a healthcare professional. For best results, take 1 capsule in the morning. An optional second capsule can be taken early afternoon. This product should be used in conjunction with a sensible diet and exercise program.

CAUTION: Do not exceed recommended dose. This product is not intended for pregnant or nursing mothers, children under the age of 18, or individuals taking prescription drugs. Discontinue use immediately if nausea, sleeplessness, or nervousness occur. Do not take this product if you have a known medical condition including high blood pressure, diabetes, any cardiovascular disorder, heart disease, hyperthyroidism, or are taking antidepressant medications. If you have questions about the advisability of taking this product, consult your physician prior to use. This product is manufactured and packaged in a facility which may also process milk, soy, wheat, egg, peanuts, tree nuts, fish and crustacean shellfish.

WARNING: This product contains 115 mg of caffeine per serving (equivalent to 1 1/6 cups of coffee).

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
