

ZyCarb may be helpful for the digestion of complex carbohydrates, starches and fiber.† Includes lactase to help those intolerant to lactose.† ZyCarb also lends support for digestion of certain triglyceride fats and food proteins.† Helps prevent occasional gas and bloating from starches in vegetables, dairy, beans and grains.†

Suggested Use: One (1) capsule at the beginning of each meal. More capsules may be taken as desired. Capsules may be opened and contents mixed with food or beverage. Use care not to inhale enzyme powder. ZyCarb may be taken with other Houston Enzymes products.

ZyCarb was developed by
Dr. Devin Houston, PhD
Enzyme Biochemist

Do not use if tamper-proof seal is broken. Keep container closed and store at room temperature or in freezer, but do not place in refrigerator due to humid conditions.
