

EVIDENCE-BASED

Cellular Forté with IP-6® and Inositol features the only patented combination of IP-6 and inositol. Cellular Forté boosts the immune system by enhancing natural killer-cell activity.* Two scoops of ultra-strength powder deliver the same benefits as 16 tablets. Also available in tablet form and double-strength chewable tablets.

IP-6 plus inositol yield IP-3, which is important to regulating healthy cell growth.*

Do not use this product if the tamper-evident shrinkwrap on the outside of the container is missing.
