

**Directions:** As a dietary supplement, take one tablet two times daily. For extra skin support during stressful times, take two tablets three times daily, or as directed by your health care practitioner.

Is your skin showing the effects of excessive sun or bitterly cold weather? When your epidermis needs a little TLC, Lysine is your supplement. Lysine is an amino acid that is required for collagen synthesis (which benefits skin health). It also plays an important role in immune function and may be important to bone health.<sup>†</sup>
