

SUGGESTED USE: To assess tolerance, begin by taking 1 capsule on an empty stomach 15-30 minutes before breakfast. If desired, an additional 1 capsule may be taken 5-6 hours later. Once tolerance has been fully assessed, an additional 1 capsule may be added **ONLY** to the morning dose. Be sure to cycle off for at least 2 weeks after every 6 weeks of use.

Note: DO NOT exceed 2 capsules per dose. DO NOT exceed 3 capsules in any 24-hour period. DO NOT use with other stimulant-based products. Under no circumstances should dosage be exceeded, or the warnings on this bottle be

ignored. Exceeding the recommended dosage or not following directions may lead to unwanted effects. Pregnant or nursing mothers, children under the age of 18, and individuals with known medical conditions should not use this product. Always consult with a certified medical practitioner before using this or any other dietary supplement.
