

Other Ingredients: Microcrystalline cellulose, croscarmellose, clear aqueous coating.

Directons: Take one or two tablets before each meal where digestive support is required. You may take this product during or after a meal, but before is optimal.[†]

Complete Enzymes Ultra may substantially help support healthy digestion of carbohydrates, protein and fat. Those following a high protein diet may also benefit by the protease (protein-digesting) enzymes in this formulation.[†]

FREE of: Gluten, sugar, salt, starch, yeast, corn, wheat, lactose, citrus, milk, egg, fish products, artificial coloring, flavoring, or preservatives added.

Store in a cool dry place. Do not refrigerate. KEEP OUT OF THE REACH OF CHILDREN. DO NOT USE IF SAFETY SEAL UNDER CAP IS BROKEN OR MISSING.

[†] These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure, or prevent any disease.

We at Viva are proud to use only the best food-based ingredients in our supplements. Our raw materials come from the USA, and we use only organic sources to ensure you're getting the best product possible, from the ground up!
