

SUGGESTED USAGE: As a dietary supplement, take 1 softgel 2 times daily with food.

HOW IT WORKS: 7-Keto-DHEA is a natural metabolite of Dehydroepiandrosterone (DHEA) that peaks in early adulthood and declines with age. Unlike DHEA however, 7-keto-DHEA is not converted to other steroid derivatives in the body, while retaining some of DHEA's anti-aging properties.* 7-KETO® is a patented form of 7-Keto-DHEA that has been clinically shown to assist in the maintenance of a healthy weight by activating enzymes in the liver that promote thermogenesis.* In addition to 7-Keto-DHEA, 7-KETO® LeanGels™, includes a special Healthy Metabolism Blend consisting of Green Tea Extract, Acetyl-L-Carnitine and Rhodiola extract to support cellular fat transport and enhance the body's ability to cope with oxidative stress.* Together with a balanced diet and exercise, 7-KETO® LeanGels™ works to help you to maintain a healthy, youthful lifestyle.*

CAUTIONS/INTERACTIONS: If you are pregnant or lactating or if you are currently being treated for breast, prostate, or other health issues, seek the advice of your healthcare practitioner prior to using this product. 7-Keto-DHEA could theoretically interact with thyroid hormone replacement. If you are taking thyroid medications, consult your healthcare practitioner before using this product. For more information on this product, go to www.protocolforlife.com/P3022
