

EVIDENCE-BASED

Clinical Nutrients™ for Male Teens multivitamin offers a strong nutritional foundation for active teen lifestyles. This comprehensive formula includes extra vitamin A and zinc, as well as sarsaparilla. Vitamin A fights free radicals, contributes to the immune system, and supports clear skin.* Researchers are exploring the link between sarsaparilla and skin health.* Sexual maturation in boys increases their need for zinc, which supports the immune system and the male sex gland health.*

Recommendations: Take 4 tablets daily. Can be taken as one or two tablets with each meal.

If taking prescription drugs, have gallstones or bile duct obstruction, consult your healthcare practitioner prior to use. Not intended for use by pregnant or nursing women.

Contains no sugar, yeast, wheat, gluten, corn, dairy products, artificial flavoring, or preservatives. All colors used are from natural sources.
