CURCUMAX™

*For occasional muscle pain associated
with exercise and overuse**

60 CAPSULES

Dietary Supplement

CurcuMax™ dietary supplement contains essential nutrients that must be present for body functions that deal with physical exertion.* Vitamin C affects the strength and integrity of collagen, the basic supporting structure in the tendons, cartilage, and connective tissues that help muscles and joints work.* Pantothenic acid, magnesium, and cysteine are included for synergistic support.* This formula also provides standardized, high-quality extracts of *Curcuma* (turmeric), which supports healthy joint functions, and butcher's broom, which offers additional benefits related to the effects of exertion on the body.*

If pregnant, nursing, or taking prescription drugs, consult your healthcare practitioner prior to use.

Contains no sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial coloring, artificial flavoring, or preservatives. This product contains natural ingredients; color variations are normal.
