

SUGGESTED USAGE: As a dietary supplement, take 3 capsules daily with food, preferably in divided doses; or take as directed by your healthcare practitioner.

HOW IT WORKS: Clinical Strength Ocu Support™ represents a comprehensive formula to meet the nutritional needs of the eyes.* This product features 10 mg (per serving) of bioavailable Lutein, a critical pigment that accumulates in the retina of the eye. Lutein's function in the eye is to protect against the damaging effects of free radicals produced by sunlight.* Clinical Strength Ocu Support™ also includes a full complement of essential nutrients known to support overall eye health and function, such as Beta-Carotene, Zinc, Taurine, and Zeaxanthin.*

CAUTIONS/INTERACTIONS: Some ingredients in this formula may affect with the absorption or metabolism of medications. If you are taking any pharmaceutical medications, consult your healthcare practitioner before taking this product. If you are pregnant or lactating, consult your healthcare practitioner before taking this product. For more information on this product go to www.protocolforlife.com/P3301
