

Directions: As a dietary supplement, take one or more capsules daily, or as directed by your health practitioner.

Feeling a bit uncomfortable carrying around that excess belly? Maybe it's time to actually do something about your weight issue. Viva Vitamins has an excellent suggestion. Garcinia Cambogia is a tropical fruit, also known as Malabar tamarind, that interferes with the body's ability to make and store fat. Garcinia Cambogia extract has been shown to be more effective in helping to control appetite and promote weight loss more than diet and exercise alone. Indications are it may also assist in maintaining healthy blood sugar and cholesterol levels. So lighten up, you can do it!

CAUTION: Individuals with a known medical condition should consult a physician before using this or any dietary supplement.

KEEP OUT OF THE REACH OF CHILDREN. DO NOT USE IF SAFETY SEAL UNDER CAP IS BROKEN OR MISSING.
