

Directions: Take one or more capsules daily, or as directed by a health care professional.

Hyaluronic acid is an excellent supporter of bones, skin, joints, and any other connective tissue in the body. It is often found in high-end skincare products because of its ability to help reduce fine lines and wrinkles, and to tighten loose skin. It can also help heal injured joints and improve bone strength.[†]

Store in a cool, dry place and away from direct light.

KEEP OUT OF THE REACH OF CHILDREN. DO NOT USE IF SAFETY SEAL UNDER CAP IS BROKEN OR MISSING.
