

Directions: As a dietary supplement, adults take three (3) tablets daily at mealtime, or as directed by a health care professional.

Glucosamine Chondroitin MSM provides a popular and effective combination of natural ingredients formulated to support the structure and function of healthy joints. We use only the highest quality Glucosamine and Chondroitin Sulfate which support the repair and rebuilding of proteoglycans in joint cartilage. The MSM has antioxidant activity that may help reduce oxidative damage to various tissues, including the joints. Vitamin C and Manganese have additional benefits to enhance the beneficial effects of Glucosamine, Chondroitin Sulfate and MSM.†

Store in a cool dry place. Do not refrigerate. Please recycle. Do not use if safety seal under cap is broken or missing. Keep out of reach of children.

We at Viva are proud to use only the best food-based ingredients in our supplements. Our raw materials come from the USA, and we use only organic sources to ensure you're getting the best product possible, from the ground up!
