

NOURISH YOUR WAY TO HEALTH & HAPPINESS*

For most of human history, we effortlessly consumed (nose-to-tail) the things we needed for health and happiness. Like the fertile ground that we once walked upon, we were a natural extension of this earth. In the modern world, we unknowingly struggle to fulfill our nutritional needs in order to support and sustain a vibrant, disease-free life. Our mission is to offer the highest quality line of whole-food supplements with the purpose of *putting back in, what the modern world has left out* – Nourish your way to health and happiness*.

Our product line is 100% additive-free... Absolutely no stearates, lubricants, binders, fillers or flow agents.

CONSIDER THE SOURCE – NEW ZEALAND

Our nose-to-tail product line is always from grassfed, inspected animals born and raised without the use of pesticides, hormones or antibiotics. Health of livestock used for manufacturing in New Zealand is closely monitored by a world leading biosecurity system that is second to none, and is a global exemplar. Strict government licensing, auditing and certification procedures mean that our genuine New Zealand freeze dried products can be used with complete confidence in their origin, safety and efficacy. Freeze-drying preserves color, nutrients and biological activity of components leaving the nutrients in the same balance as found in nature.
