

Vitamin D promotes a range of benefits including skeletal, cardiovascular, neuromuscular, neurological and immune system health. It aids calcium and phosphorus absorption and helps maintain normal blood calcium levels.

NeoLife's Vegan D features a proprietary blend of naturally sourced and whole food-based vitamin D₃/D₂ to ensure high-potency and bioavailability.

Store in a cool, dry place, away from direct sunlight.

Packaged with safety seal.

NeoLife products use only GMO-free ingredients.
