

✓ Human Lactic Commensals (HLC®) probiotics have been extensively researched, including randomized, placebo-controlled human clinical trials. These proprietary strains are compatible with the human gastrointestinal tract and are selected based on their high quality and viability.

Recommended intake: One capsule taken 1-2 times daily with a meal, or as professionally directed.

Warning: If you have an immune-compromised condition, do not use. If you are pregnant or lactating, have any health condition or are taking any medication, consult your health professional before use. If symptoms of digestive upset occur, stop use and consult your health professional.

Use only if safety seal is intact. Store under refrigeration (below 46 °F). Contents may not fill package in order to accommodate required labeling. Please rely on stated quantity.

Keep out of the reach of children.
