

NEO-3® process utilizes lipase enzymes to enrich EPA and DHA concentrations, while virtually eliminating contaminants, and helps to deliver a clean taste.

Recommended intake: Adults, adolescents and children (1 year and older): Two teaspoons taken daily with a meal or as professionally directed. Can be taken in water or juice or directly into the mouth.

Risk information: Consult your healthcare practitioner prior to use if you are pregnant, breastfeeding, taking any medication, or have any health condition.

Vacuum-sealed for your protection and for product freshness. Do not use if outer seal is missing or broken. Shake well before each use. Refrigerate after opening. Keep out of reach of children.

NEO-3 is the registered trade mark of NSJL Limited, used under license.
