V3

Code FA30-150

NEO-3[®] process utilizes lipase enzymes to enrich EPA and DHA concentrations, while virtually eliminating contaminants, and helps to deliver a clean taste.

Recommended intake: Adults, adolescents and children (1 year and older): One teaspoon taken daily with a meal or as professionally directed. Do not drink directly from the bottle.

Warning: If you are pregnant or lactating, have any health condition or are taking any medication, consult your health professional before use.

Like extra virgin olive oil, DHA Finest Pure Fish Oil may occasionally become cloudy in cold conditions. This is perfectly normal and in no way affects the quality of the oil. If warmed, the cloudiness will disappear.

Use only if safety seal is intact. Refrigerate after opening. Contents may not fill package in order to accommodate required labeling. Please rely on stated quantity.

Keep out of the reach of children.

NEO-3[®] is the registered trademark of NSJL Limited, used under license.
