

CONDEMNED LABZ

Established in 2016, Condemned Labz was created to define the battle of fitness enthusiasts. We've become masochists; gaining pleasure from pain. Reps for results are what drives us deeper, fuels our fire and cements our love for the sport. This is where the obsession of striving for the perfect physique is conceived.

SENTENCED
TO GREATNESS

SUGGESTED USE: Take two (2) capsules upon awakening. Due to the extreme potency of **ARSYN** you may have to take it with food. We recommend starting off with one (1) capsule to assess tolerance.*

ARSYN was created to be an aggressively potent, fat burning agent. Our fat burner is geared towards those dedicated individuals trying to cut weight. We loaded this product with proven ingredients along with strong stimulants. You can expect clean energy, which increases metabolism, elevated thermogenesis, which allows calories to be burned easier, and appetite control to help curb cravings. The tunnel vision focus supplied will get you through your day and into your training. With **ARSYN** you won't experience any crash, shakes or jitters! Be "sentenced to greatness".

WARNING: Not for use by persons under the age of 18 years. Do not use if pregnant or nursing. Consult your physician or pharmacist before using this product to assess possible interaction. Consuming additional caffeine while taking this product may experience serious adverse health effects. Do not use if you have a heart or thyroid condition. Keep away from children. Drink plenty of water while using this product to avoid dehydration.*
