

Directions: As a dietary supplement, adults take one (1) tablet daily with meals, or as directed by a health care professional.

Zinc is required for the activity of approximately 100 enzymes and plays a role in immune function, protein synthesis, wound healing, DNA synthesis, and cell division. Zinc also supports normal growth and development during pregnancy, childhood, and adolescence and is required for proper sense of taste and smell.†

Store in a cool, dry place and away from direct light.

KEEP OUT OF THE REACH OF CHILDREN. DO NOT USE IF SAFETY SEAL UNDER CAP IS BROKEN OR MISSING.
