

Established in 2016, Condemned Labz was created to define the battle of fitness enthusiasts. We've become masochists; gaining pleasure from pain. Reps for results are what drives us deeper, fuels our fire and cements our love for the sport. This is where the obsession of striving for the perfect physique is conceived.

SUGGESTED USE: As a dietary supplement, take one (1) to two (2) scoop (s) with 8-12 ounces of water, thirty (30) minutes prior to training. We recommend one (1) scoop for beginner to intermediate users and two (2) scoops for advanced users only. DO NOT EXCEED THE RECOMMENDED DOSAGE IN A 24-HOUR PERIOD.
