Genestra HMF (Human Microflora) Probiotics offer:

- Clinically studied, proprietary strains
- Doctor-recommended for over 20 years
- Research-driven, condition-specific formulas
- Potency guaranteed through expiration

Recommended Dose: Children (1 year and older): In a glass, add 1 heaped scoop to water or juice and dissolve completely before administration to children. Take once daily or as recommended by your health professional. **Warning:** If you have an immune-compromised condition, do not use. If you are pregnant or lactating, have any health condition or are taking any medication, consult your health professional before use. If symptoms of digestive upset occur, stop use and consult your health professional. **Keep out of the reach of children.** This product was sealed for your protection. Do not use if box or contents are open or damaged. Store under refrigeration (below 46 °F).
