

PREMIER SCIENCE

Enterogenic™ Concentrate, an exclusive blend of highly concentrated FOS and highly concentrated human-strain microflora, is well tolerated and provides both beneficial intestinal bacteria and growth factors shown to promote healthy recolonization.* Viability of microflora is guaranteed at room temperature through the expiration date.

ITI* evidence-based natural medicines are the only choice of doctors who rely on the fact base of premier science to deliver patient results.

If pregnant, nursing, or taking prescription drugs, consult your healthcare practitioner prior to use.

Contains no sugar, salt, yeast, wheat, gluten, corn, soy, artificial coloring, artificial flavoring, or preservatives. This product contains natural ingredients; color variations are normal.
