

Propolis is a resinous substance found in the buds of trees. Bees gather it and combine it with nectar and other substances to make a natural "glue". Many people enjoy taking Bee Propolis for its nutrients. Each capsule contains 125mg of Bee Propolis Extract, equivalent to 500mg of Fresh Bee Propolis.

WARNING: If you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Avoid this product if you are allergic to bees or bee products. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store at room temperature. Do not use if seal under cap is broken or missing.
