

STIMULANT-FREE DIET FORMULA

Calorie Quencher® can provide the natural edge you need to support your weight loss efforts. Calorie Quencher® contains a blend of Phase2®, LipoSan Ultra®, chromium picolinate, and fennel seed. Phase2® is an all natural product derived from common white bean and has been shown to support normal carbohydrate digestion. Phase2® may reduce the enzymatic digestion of dietary starches. LipoSan Ultra® is a natural extract from chitin, which helps support normal fat absorption. Chromium is added for metabolic support.[†]

 Phase2® used with permission.

 LipoSan Ultra® is a registered trademark of Pines, Inc.
