ACTIVE™

— CBD OIL —

MAXIMUM BIOAVAILABILITY AND ABSORPTION FORMULA

ACTIVE CBD OIL™ utilizes a water soluble formula making it "body ready" for maximum bioavailability and full absorption.

Compounds contained within our ACTIVE CBD OIL™ formula may offer benefits via numerous mechanisms of action, including helping to support the body's endocannabinoid system as well as possessing antioxidant activity to help support redox balance within the body.*

ACTIVE CBD OIL™ formula allows for the transformation of dense poorly soluble hemp oil into a water soluble "body ready" liquid.
