health and promote a healthy nervous system.*

Astaxanthin is a naturally occurring carotenoid with a unique structure that is known to be a potent free radical scavenger.* Because Astaxanthin freely crosses the blood-brain and blood-retina barriers, it can neutralize free radicals in the eye and central nervous system.* Scientific studies also demonstrate that Astaxanthin can support the body's healthy and balanced immune system responses.* This product features Zanthin®, which can help to support overall ocular

food.

Suggested Usage: Take 1 softgel 1 to 2 times daily with
