Actual Size

Glucosamine + MSM is an effective supplement combination that helps support maximum flexibility, range of motion and joint health.* Together, this duo promotes healthy cartilage and collagen development to support fluid joint movement.*

Glucosamine is a key component of cartilage, synovial fluid and other connective tissues, which are needed for healthy structure and function of joints.*

MSM (Methylsulfonylmethane) is a natural source of sulfur and works in conjunction with Glucosamine to support collagen, an important component of healthy joints and connective tissue.* This product should be taken on a consistent basis to support joint health.*

Warning: If you are pregnant, nursing, taking any medications, including blood thinners, or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

No yeast, wheat, gluten, milk or milk derivatives, lactose, sugar, preservatives, soy, artificial color, artificial flavor.

Individual results may vary.

KEEP OUT OF REACH OF CHILDREN. STORE AT ROOM TEMPERATURE AND AVOID EXCESSIVE HEAT. TAMPER RESISTANT: DO NOT USE IF SEAL UNDER CAP IS BROKEN OR MISSING.
