100% Wild Alaskan
This unique fish oil is sourced from Walleye Pollock and/or Pacific Whiting caught wild in Alaskan waters. The oil is extracted within hours to ensure maximum freshness and is processed and purified by a family-owned American company using advanced processing technology.

WARNING: Supplementation with omega-3 fatty acids should be avoided in patients with inherited or acquired bleeding predispositions, including those taking anticoagulants. As with any product containing omega-3 fatty acids, exercise carefully to the amount recommended by your health care provider.

One softgel of this product provides the same omega-3 level as a 1000 mg fish oil softgel.

Does not contain milk, egg, crustacean shellfish, tree nuts, peanuts, soy, wheat or gluten.
