

DIRECTIONS: As a dietary supplement, take 1 capsule in the morning on an empty stomach or as directed by your qualified health consultant. Do not exceed 2 capsules daily. This product contains 200mg caffeine per 1 capsule!

WARNING: Not intended for use by anyone under the age of 18. Do not take this product if you are pregnant or nursing. Consult a health care professional before using this product if you have heart disease, thyroid disease, diabetes, high blood pressure, depression or other psychiatric condition, glaucoma, difficulty in urinating, prostate enlargement, seizure disorder, or if you are using a monoamine oxidase inhibitor (MAOI) or any other prescription pseudoephedrine or phenylpropanolamine (ingredients found in certain allergy, asthma, cough, cold and/or weight control products). Exceeding recommended serving will not improve results and may cause serious adverse health effects. Discontinue use and call a healthcare professional immediately if you experience rapid heartbeat, tremors, dizziness, severe headache, shortness of breath, or other similar symptoms. Each serving contains 200mg of caffeine. Limit the use of caffeinated food and beverages while taking this product. Do not use with alcohol. Do not use during strenuous activity in high temperature conditions. Always consult a physician before starting any diet or exercise program. Discontinue 2 weeks prior to surgery. This product is not a substitute for sleep.

KEEP OUT OF REACH OF CHILDREN.

STORE IN A COOL, DRY PLACE.
