What VIBE Doesn't Have:

Out of respect for current research and the safety of VIBE® users, there are certain ingredients Eniva® has chosen not to include in the VIBE® formulations:

- No Vitamin K: For those on blood-thinners
- No Iron: For men and women with cardiovascular issues
- No Excessive Vitamin A: For aging women with compromised bones
- No artificial flavors, colorants, dyes or sweeteners
- No Mangosteen Fruit: For concern of chronic exposure to alpha-mangostin, a xanthone that could be toxic to mitochondrial function, leading to impairment of cellular respiration and production of lactic acidosis. (Reference: Wong LP, Klemmer PJ. Severe lactic acidosis associated with juice of the mangosteen fruit, *Garcinia mangostana* Am J Kidney Dis 51:829-3, 2008.)

- It is normal with natural extracts and ingredients that some settling may occur.

Directions: For best results:

- Shake well before use.
- Combine with 8 ounces water or juice.
- Split dose evenly between am/pm hours.

Adults: 1 ounce daily.**Children 14+:** 1 ounce daily**Pregnant/Lactating Women:** Contact your doctor before use.**Storage Directions:** Keep refrigerated upon receipt and after opening.

For Best Results: Avoid freezing and heat.

- After opening, product should be consumed within 40 days.

Recommendations: As with all dietary supplements, contact your doctor before use. If you are currently taking prescription medication, have an ongoing medical condition, are pregnant, nursing, or under the age of 14, you should consult your doctor before use.

Potential Risks: Do not consume if allergic to components within product. Although ENIVA VIBE ORIGINAL is manufactured with safe ingredients, rarely, GI discomfort (nausea, stomachache, loosening of stool), mild skin rash, and/or headache, may arise. Should these occur, discontinue use. Some individuals may experience a mild skin redness/hot prickly feeling ("niacin flush") because of natural niacin in ENIVA VIBE ORIGINAL. This is a normal reaction due to the expansion of capillaries in skin and should subside within 30 minutes.

Caution: Do not consume if tamper resistant seal is broken or missing. This product is not intended for children under 14 years of age. KEEP CAP TIGHTLY CLOSED. KEEP OUT OF REACH OF CHILDREN.
