

Probiotic chewable tablets Lemon flavored

BioGaia Protectis tabs is a dietary supplement containing the patented lactic acid bacterium *Lactobacillus reuteri* Protectis® (*L. reuteri* DSM 17938) that helps the good microorganisms keep a natural balance in the gut.* Because *L. reuteri* Protectis naturally colonizes humans it has a strong adaptation to persist and interact with humans. *L. reuteri* Protectis has been tested in more than 130 clinical trials and proven effective and safe for children and adults.*

Use: One (1) chewable tablet per day. Use regularly for good gut health or when temporary stomach discomfort occurs.*

Storage: Store in a dry place, at room temperature (77 °F) or below. Keep out of reach of children.

Country of origin: Spain.

To report a serious adverse event, call (888) 485-2135.
