Devil's Claw (<i>Harpagophytum procumbens</i> and <i>zeyheri</i>) (root)	525 mg	*

*Daily Value not established.

Other Ingredients: Vegetable Cellulose Capsule and Organic Rice Bran Extract Blend.

Discussion: Native to southwest Africa, devil's claw grows naturally in the Kalahari desert and the steppes of Namibia. Devil's claw derives its name from the unique appearance of its large leaf-like hooked fruit. Devil's claw has been used for centuries by indigenous people for its health- and overall body comfort.
