

Statin medications can reduce Co Q-10 levels in the body. Co Q-10 can replenish what statin medications may deplete.

Note: Co Q-10 is not intended to serve as a replacement for Statin therapy, nor should you discontinue taking any prescribed medications while supplementing with Co Q-10.

WARNING: If you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store at room temperature. Do not use if seal under cap is broken or missing.

Kaneka QH® is a registered trademark of Kaneka Corporation.
