This Fiber Supplement is made of 100% natural fibers found in fruits and vegetables. It contains prebiotic fiber which stimulates the friendly, good bacteria that live in your digestive system.†

Prebiotic Fiber Nurtures Your Digestive Health Naturally†

It keeps food moving through your system, supporting your digestive tract and aiding in regularity.‡

Prebiotic Fiber Helps Maintain a Healthy Immune System Naturally†

A healthy digestive tract is vital for a healthy immune system.‡

This product helps keep your digestive tract balanced and the bad bacteria in check.‡

Prebiotic Fiber Supports Good Overall Health Naturally†

Daily intake of fiber is an important part of your overall good health.‡ Most Americans only get about half of the recommended 25-30 grams of fiber each day. So when you can't get the fiber you need from healthy foods, fiber supplement tablets offer a simple and delicious way to add fiber to your diet.
