Details

- Joint health*
- May help support flexibility & healthy mobility*

Chondroitin may help support healthy joint flexibility and lubrication.* Glucosamine, made by the body from glucose and the amino acid glutamine, supports cartilage, ligaments, tendons and bones.* MSM is an important nutrient that our body uses to help create new cells and connective tissue. It also helps promote healthy muscles and flexible joints.*

Double strength refers to the number of caplets per serving size. No artificial dyes or flavors, gluten, lactose.

1-800-925-4733

Adults - Three caplets daily with food as a dietary supplement. For best results take one caplet three times daily.

Store at 15°-30°C (59°-86°F).
