

Compare vs. MegaRed® Extra Strength^{††}

Member's Mark[™]

100% Pure
omega-3
krill oil 500 mg[†]

dietary supplement

3X MORE PURE
Than Regular Krill Oil[†]

May reduce the risk of
coronary heart disease

Supportive, but not conclusive research shows that consumption of EPA and DHA omega-3 fatty acids may reduce the risk of coronary heart disease.

- No fishy aftertaste or odor^{*}
- Only one small softgel per day
- With more phospholipids for easy absorption[†]

160
Softgels

SUPERBA2
PATENTED • IMPROVED

Purity • Absorption • No Fishy Aftertaste

SUPERBA2[™]
PATENTED • IMPROVED

Enhanced, Exclusive Sam's Club[®] Formula

Greater Purity from a patented concentration process. With increased phospholipids, astaxanthin and 5mg more total omega-3s than regular krill oil. **Member's Mark[™] 100% Pure Omega-3 Krill Oil** is an exclusive Sam's Club[®] formula.

With More Phospholipids for Easy Absorption[†]

[†]Unlike fish oils, krill oil carries omega-3s in the form of phospholipids — liposomes or little packages that deliver the fatty acids to your body's cells. Standard fish oils lack this phospholipid complex.

Heart Health^{*}

Member's Mark[™] 100% Pure Omega-3 Krill Oil contains omega-3 fatty acids DHA and EPA. Supportive, but not conclusive research shows that consumption of EPA and DHA omega-3 fatty acids may reduce the risk of coronary heart disease.

3x More Pure - Superba2[™]

'Member's Mark[™] 100% Pure Omega-3 Krill Oil is 3x more pure than regular krill oil. Salts and other impurities are removed from Superba2[™] krill oil via a patented process to provide the purest krill oil available.

No Fishy Aftertaste or Odor

Krill omega-3s actually mix with the contents in the stomach, preventing the fishy aftertaste or odor that can be experienced with fish oil.

MSC-Certified Sustainable

Our krill oil is rigorously regulated from the sea all the way to our shelves. Marine Stewardship Council (MSC) is the world's leading third party sustainability certifier that monitors each step of the process.

Antioxidant Protection^{*}

Krill oil contains astaxanthin, which is not seen in standard fish oil. Astaxanthin may help maintain cell integrity.^{*}

Supplement Facts

Serving Size: 1 Softgel

	Amount Per Serving	%DV
Calories	5	
Total Fat	0.5 g	<1%
Cholesterol	10 mg	3%
Krill Oil	500 mg	††
Omega-3 Fatty Acids	120 mg	††
EPA (eicosapentaenoic acid)	64 mg	††
DHA (docosahexaenoic acid)	30 mg	††
Phospholipids	200 mg	††
Estertified Astaxanthin	150 mcg [*]	††

††Percent Daily Values are based on a 2,000 calorie diet.
*Daily Value (DV) not established.
†No table of manufacture.

OTHER INGREDIENTS: Gelatin Capsule (Gelatin, Glycerin, Purified Water, Ethyl Vanillin, Sorbitol), CONTAINS CRUSTACEAN SHELLFISH (krill).

DISTRIBUTED BY: SAM'S WEST, INC., BENTONVILLE, AR 72716.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

100 mg is the minimum fill of krill oil per softgel. Due to the natural variability of Member's Mark[™] 100% Pure Omega-3 Krill Oil, each softgel may include more than 100 mg to ensure level potency. Extra strength compared to 350 mg krill oil.

This product is not manufactured or distributed by Member's Mark LLC, owner of the registered trademark 'Member's Mark[™]'.
