Enhanced, Exclusive Sam's Club® Formula

Greater Purity[®] from a patented concentration process. With increased phospholipids, astaxanthin as compared to regular krill oil. **Member's Mark™ 100% Pure Omega-3 Krill Oil** is an exclusive Sam's Club® formula.

With More Phospholipids for Easy Absorptions

Unlike fish oils, krill oil carries omega-3s in the form of phospholipids — liposomes or little packages that deliver the fatty acids to your body's cells. Standard fish oils lack this phospholipid complex.

Heart Health*

Member's Mark™ 100% Pure Omega-3 Krill Oil contains omega-3 fatty acids DHA and EPA. Supportive, but not conclusive research shows that consumption of EPA and DHA omega-3 fatty acids may reduce the risk of coronary heart disease.

100% MONEY BACK GUARANTEE
SUPERIOR QUALITY AND PERFORMANCE. In the contained softgel, you will find the highest quality, purest krill oil available. No other krill oil can match the purity and quality of this product. If you are not completely satisfied, we will refund your money.

Member's Mark™ 100% Pure Omega-3 Krill Oil is 3x more pure than regular krill oil. Salts and other impurities are removed from Superba2™ krill oil via a patented process to provide the purest krill oil available.

Omega-3s actually mix with the contents in the stomach, preventing the fishy aftertaste or odor that can be experienced with fish oil.

Enhanced, extracted and manufactured in the USA. This product comes from a fishery that has been independently certified to the MSC's standard for a well-managed and sustainable fishery. www.msc.org

This product is not manufactured or distributed by Reckitt, Inc. (owner of the registered trademark MegaRed®). Superba2 is a trademark of the Axor Group.

3x More Pure™ - Superba2™

1 Member's Mark™ 100% Pure Omega-3 Krill Oil is 3x more pure than regular krill oil. Salts and other impurities are removed via a patented process to provide the purest krill oil available.

No Fishy Aftertaste or Odor

Krill omega-3s actually mix with the contents in the stomach, preventing the fishy aftertaste or odor that can be experienced with fish oil.

MSC-Certified Sustainable

Our krill oil is rigorously regulated from the sea all the way to our shelves. Marine Stewardship Council (MSC) is the world's leading third party sustainability certifier that monitors each step of the process.

Antioxidant Protection*

Krill oil contains astaxanthin, which is not seen in standard fish oil. Astaxanthin may help maintain cell integrity.*

Supplement Facts

Serving Size 1 Softgel

Amount Per Serving	%DV
Cholesterol	5 mg 2%
Krill Oil	350 mg ††
