

USAGE: Take 1 softgel per day, preferably with a fat-containing meal, or as directed by your qualified healthcare professional.

MaculaPF™ (Protective Factors) Blue Light Protection is a synergistic combination of three key carotenoids to protect the eyes' maculae against oxidative stress, blue light from all types of screens, LED lighting, and sunlight.* The macula is responsible for focus and color.

Keep out of the reach of children.
Store in a cool, dry place.
